9pm - 5pm

0.00 c/kWh

## GreenPower options

When you choose to buy a GreenPower product from an energy retailer, the retailer then invests the additional charge in the renewable energy industry. These purchases are audited by a group of government agencies.

| Option                 | Description                                                                                                                           | Price (incl. GST)  |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| <b>100% GreenPower</b> | For 1.1c / kWh inc. GST we ensure energy equal to 100% of your usage will be fed into the grid from Accredited GreenPower generators. | 1.10 cents per kWh |
