|                                  |                                                                                                                                                                                                                                              |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Prices are not fixed</b>      | Electricity charges may be updated on the day that is one month after network tariff price changes. We may vary discounts, solar feed-in rates and other charges from time to time and notify you in accordance with applicable regulations. |
| <b>Contract expiry details</b>   | This is an ongoing agreement with ongoing benefits and continues until you or we end it.                                                                                                                                                     |
| <b>Full terms and conditions</b> | For full terms & conditions, visit our website <a href="http://www.diamondenergy.com.au">www.diamondenergy.com.au</a> or contact us on 1300 838 009.                                                                                         |
| <b>ESC licence information</b>   | Electricity retail licence under Diamond Energy Pty Ltd                                                                                                                                                                                      |

## Fees

|                          |                          |
|--------------------------|--------------------------|
|                          | (incl. GST)              |
| <b>Disconnection fee</b> | <b>Flat rate: \$0.00</b> |

|                         |                           |
|-------------------------|---------------------------|
| <b>Reconnection fee</b> | <b>Flat rate: \$75.83</b> |
|-------------------------|---------------------------|

A \$75.83 (GST Incl) fee may apply when your property is reconnected (including when you move). This fee is passed through from your distributor and may vary. Please visit your distributor's website to find out the current fee.

### Additional information

You may be charged fees from your electricity distributor in relation to services performed at your supply address. These fees are passed through to you and may vary. For further details, visit <https://diamondenergy.com.au/service-fees-and-charges/>.

## Billing details

|                        |                                                        |
|------------------------|--------------------------------------------------------|
| <b>Bill frequency</b>  | 3 months                                               |
| <b>Payment options</b> | Please contact the retailer to discuss payment options |

## Offer rate and details

Local time

|                            |                           |
|----------------------------|---------------------------|
| <b>Electricity charges</b> | <b>Tariff (incl. GST)</b> |
| <b>Daily supply charge</b> | 138.05 c/day              |
| <b>Usage charge</b>        | 28.22c/kWh                |

**Daily supply charge:** a charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity is used.

**kWh:** a 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity bill.

## Feed-in tariff options

|                                |               |
|--------------------------------|---------------|
|                                | <b>Tariff</b> |
| <b>Retailer feed-in tariff</b> | 1.20 c/kWh    |

## GreenPower options

When you choose to buy a GreenPower product from an energy retailer, the retailer then invests the additional charge in the renewable energy industry. These purchases are audited by a group of government agencies.

| Option                 | Description                                                                                                                                | Price (incl. GST)  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| <b>100% GreenPower</b> | For 1.1c / kWh inc. GST we ensure energy equal to 100% of your consumption will be fed into the grid from Accredited GreenPower generators | 1.10 cents per kWh |
| <b>50% GreenPower</b>  | For 0.55c / kWh inc. GST we ensure energy equal to 50% of your consumption will be fed into the grid from Accredited GreenPower generators | 0.55 cents per kWh |
