### Estimated electricity cost

|                                                                                                 |                             |                                                                   |
|-------------------------------------------------------------------------------------------------|-----------------------------|-------------------------------------------------------------------|
|  1 person      | <b>LOW</b><br>7.2 kWh/day   | <b>\$1,120/year</b><br>No discount conditions apply to this offer |
|  2 to 3 people | <b>MED</b><br>11.8 kWh/day  | <b>\$1,550/year</b><br>No discount conditions apply to this offer |
|  4+ people     | <b>HIGH</b><br>15.5 kWh/day | <b>\$1,910/year</b><br>No discount conditions apply to this offer |

### Features

-  No direct debit payment required
-  No pay on time discount
-  No green power
-  No fixed price contract
-  Paper bills available

Estimated costs are inclusive of GST and are based on typical usage in your postcode, with regular usage on weekday afternoons and evenings. Your household's usage may vary. Costs exclude controlled load charges, solar payments, concessions and bonuses.

A more personalised estimate can be found on the Victorian Energy Compare website at <https://compare.energy.vic.gov.au>.

Retailers must provide clear advice to help customers find the offer that best suits their circumstances.

Contact the retailer by calling 13 24 61 and quote this Offer ID **OR2805349SR**.

### Offer details

|               |                      |
|---------------|----------------------|
| Distributor   | Citipower            |
| Offer type    | Standing offer       |
| Fuel type     | Electricity          |
| Customer type | Residential          |

| Cooling off period        | 10 business days                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Eligibility criteria      | Offer only available to residential customers. A smart/digital meter is required to access this Energy Plan. Origin can help arrange a meter upgrade if you don't have one already.                                                                                                                                                                                                                                                                                                                                                   |
| Prices are not fixed      | We may vary our standing offer prices not more than once every 6 months. We will publish any variation in a newspaper and on our website at least 10 business days before it starts and will include details with your next bill if the variation affects you.                                                                                                                                                                                                                                                                        |
| Contract expiry details   | Ongoing contract which continues until you or we end it.                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Full terms and conditions | Up to 24kWh of free electricity usage each day between 11am-2pm. Usage above 24kWh will be charged at Solar Soak rates (the same rates charged between 2pm-4pm). This period does not shift for daylight savings. Daily supply, controlled load and other charges still apply in this period. This offer is best suited if you can shift usage to this period. If not, your electricity costs may be higher. More at <a href="http://originenergy.com.au/2889/Terms-and-conditions">originenergy.com.au/2889/Terms-and-conditions</a> |
| ESC licence information   | Electricity and gas retail licence under Origin Energy Electricity Limited                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
