

# Victorian Energy Fact Sheet

When you're signing up to something new, it's important to know what's what. Here's some essential info about Powershop and this offer.

**ELECTRICITY**

OFFER **EV DAY SAVER**

TYPE **RESIDENTIAL**

DISTRIBUTOR **UNITED ENERGY**

## About Powershop

We are committed to enabling a better energy future for your lifestyle. Part of Shell Energy Australia, we sell energy to homes and small businesses in VIC, NSW, South East QLD and SA. With Powershop, you can have confidence in the energy decisions for your home now and in the future.

We're here to help build a better energy future, for your home.

## About this offer

This Powershop EV Day Saver offer will give you access to the Powershop Shop. You also get access to the Powershop app to manage your bills and energy usage.

This offer is an ongoing contract (until you or we end it). We may vary your prices in accordance with our regulatory requirements. If we vary your prices, we'll give you advance notice, usually by email.

This plan is not carbon offset.

## Tariff Information

This Time of Use tariff consists of a daily supply charge, and then a different per kWh energy rate for Peak, Off Peak and Super Off Peak\* times. The energy rate for the Super Off Peak times is cheaper than the normal Off Peak rate and provides a perfect opportunity to charge your Electric Vehicle.

\*The Super Off Peak energy rates and times are not displayed on the Victorian Energy fact sheet but are detailed on this page which is to be read in conjunction with the Victorian Energy Fact sheet. The energy rates for the Super Off Peak times exclude Controlled Load and are subject to our [Fair Use Policy](#). Daily supply charge also applies. The energy rates for the Super Off Peak times supersede the same times covered on the Victorian Energy fact sheet.

TARIFF	TIME BAND	UNIT	INC. GST
Super Off Peak	12pm to 2pm everyday	c/kWh	<b>0.00</b>
