| <b>Controlled load charges</b>                                             | <b>Tariff (incl. GST)</b> |
| <b>Controlled load consumption</b>                                         | 18.94 c/kWh               |

**Daily supply charge:** a charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity is used.

**kWh:** a 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity bill.

**Solar feed-in tariff options**

|                                        | Tariff     |
|----------------------------------------|------------|
| <b>Current retailer feed-in tariff</b> | 1.00 c/kWh |

**GreenPower options**

When you choose to buy a GreenPower product from an energy retailer, the retailer then invests the additional charge in the renewable energy industry. These purchases are audited by a group of government agencies.

| Option                 | Description                                                                                                          | Price (incl. GST)  |
|------------------------|----------------------------------------------------------------------------------------------------------------------|--------------------|
| <b>100% GreenPower</b> | Red Energy offers 100% GreenPower for an extra 3.3 cents per kWh. Please contact us on 131 806 for more information. | 3.30 cents per kWh |
