## Offer rate and details

Local time

| Electricity charges                | Tariff (incl. GST)        |
|------------------------------------|---------------------------|
| <b>Daily supply charge</b>         | 110.78 c/day              |
| <b>Usage charge</b>                |                           |
| 4pm - 9pm                          | 37.50c/kWh                |
| 9pm - 11am                         | 20.59c/kWh                |
| 11am - 4pm                         | 16.05c/kWh                |
| <b>Controlled load charges</b>     | <b>Tariff (incl. GST)</b> |
| <b>Controlled load consumption</b> | 18.94 c/kWh               |

**Daily supply charge:** a charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity is used.

**kWh:** a 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity bill.

## Feed-in tariff options

|                                | Tariff     |
|--------------------------------|------------|
| <b>Retailer feed-in tariff</b> | 1.00 c/kWh |

## GreenPower options

When you choose to buy a GreenPower product from an energy retailer, the retailer then invests the additional charge in the renewable energy industry. These purchases are audited by a group of government agencies.

| Option                 | Description                                                                                                          | Price (incl. GST)  |
|------------------------|----------------------------------------------------------------------------------------------------------------------|--------------------|
