**Offer rate and details**

Local time

| Electricity charges                | Tariff (incl. GST)        |
|------------------------------------|---------------------------|
| <b>Daily supply charge</b>         | 140.20 c/day              |
| <b>Usage charge -</b>              |                           |
| First 27.40 kWh                    | 26.63c/kWh                |
| Remaining                          | 25.62c/kWh                |
| <b>Controlled load charges</b>     | <b>Tariff (incl. GST)</b> |
| <b>Controlled load consumption</b> | 20.81 c/kWh               |

**Daily supply charge:** a charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity is used.

**kWh:** a 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity bill.

**Feed-in tariff options**

|                                | Tariff     |
|--------------------------------|------------|
| <b>Retailer feed-in tariff</b> | 0.00 c/kWh |

**GreenPower options**

When you choose to buy a GreenPower product from an energy retailer, the retailer then invests the additional charge in the renewable energy industry. These purchases are audited by a group of government agencies.

| Option                 | Description                                                                                                          | Price (incl. GST)  |
|------------------------|----------------------------------------------------------------------------------------------------------------------|--------------------|
| <b>100% GreenPower</b> | Red Energy offers 100% GreenPower for an extra 1.2 cents per kWh. Please contact us on 131 806 for more information. | 1.20 cents per kWh |
